**United States Patent and Trademark Office (USPTO)
Office Action (Official Letter) About Applicant's Trademark Application**

U.S. Application Serial No. 97209805

Mark: FREEMASON

Correspondence Address:

BOLE YUAN
204 S 3RD ST
PHILADELPHIA PA 19106 UNITED STATES

Applicant: Lin, Qilin

Reference/Docket No. 22-01-M0261

Correspondence Email Address: stevenyuan.bytrademark@outlook.com

NONFINAL OFFICE ACTION

The USPTO must receive applicant's response to this letter within six months of the issue date below or the application will be abandoned. Respond using the Trademark Electronic Application System (TEAS). A link to the appropriate TEAS response form appears at the end of this Office action.

Issue date: October 25, 2022

The referenced application has been reviewed by the assigned trademark examining attorney. Applicant must respond timely and completely to the issue(s) below. 15 U.S.C. §1062(b); 37 C.F.R. §§2.62(a), 2.65(a); TMEP §§711, 718.03.

SUMMARY OF ISSUES:

- Section 2(d) Refusal – Likelihood of Confusion

SECTION 2(d) REFUSAL – LIKELIHOOD OF CONFUSION

Registration of the applied-for mark is refused because of a likelihood of confusion with the mark in U.S. Registration Nos. 6543337 and 5960848. Trademark Act Section 2(d), 15 U.S.C. §1052(d); *see*

TMEP §§1207.01 *et seq.* See the attached registrations.

Trademark Act Section 2(d) bars registration of an applied-for mark that so resembles a registered mark that it is likely a consumer would be confused, mistaken, or deceived as to the source of the goods and services of the applicant and registrant. *See* 15 U.S.C. §1052(d). Determining likelihood of confusion is made on a case-by-case basis by applying the factors set forth in *In re E. I. du Pont de Nemours & Co.*, 476 F.2d 1357, 1361, 177 USPQ 563, 567 (C.C.P.A. 1973). *In re i.am.symbolic, llc*, 866 F.3d 1315, 1322, 123 USPQ2d 1744, 1747 (Fed. Cir. 2017). However, “[n]ot all of the [du Pont] factors are relevant to every case, and only factors of significance to the particular mark need be considered.” *Coach Servs., Inc. v. Triumph Learning LLC*, 668 F.3d 1356, 1366, 101 USPQ2d 1713, 1719 (Fed. Cir. 2012) (quoting *In re Mighty Leaf Tea*, 601 F.3d 1342, 1346, 94 USPQ2d 1257, 1259 (Fed. Cir. 2010)). The USPTO may focus its analysis “on dispositive factors, such as similarity of the marks and relatedness of the goods [and/or services].” *In re i.am.symbolic, llc*, 866 F.3d at 1322, 123 USPQ2d at 1747 (quoting *Herbko Int’l, Inc. v. Kappa Books, Inc.*, 308 F.3d 1156, 1164-65, 64 USPQ2d 1375, 1380 (Fed. Cir. 2002)); *see* TMEP §1207.01.

Applicant’s mark is “**FREEMASON**” with the identification of “Berets; Bonnets; Hats; Baseball caps; Beach hats; Cowboy hats; Hats for infants, babies, toddlers and children; Leather hats; Sports caps and hats; Visors being headwear” in Class 025.

The cited registrations are:

FREEMASONS UNIVERSAL TARTAN (Reg. No. 6543337) for “Ties as clothing, Bow ties; Scarves; Sashes; Pocket squares” in Class 025.

FREEMASONER (Reg. No. 5960848) for “Aprons; Caps being headwear; Coats; Footwear; Hosiery; Masquerade costumes; Neckties; Scarfs; Shirts; Sports jerseys; Trousers; Underwear; Uniforms; Wedding dresses; Belts for clothing; Gloves as clothing; Headbands for clothing” in Class 025.

Comparison of Marks

Marks are compared in their entireties for similarities in appearance, sound, connotation, and commercial impression. *Stone Lion Capital Partners, LP v. Lion Capital LLP*, 746 F.3d 1317, 1321, 110 USPQ2d 1157, 1160 (Fed. Cir. 2014) (quoting *Palm Bay Imps., Inc. v. Veuve Clicquot Ponsardin Maison Fondee En 1772*, 396 F.3d 1369, 1371, 73 USPQ2d 1689, 1691 (Fed. Cir. 2005)); TMEP §1207.01(b)-(b)(v). “Similarity in any one of these elements may be sufficient to find the marks confusingly similar.” *In re Inn at St. John’s, LLC*, 126 USPQ2d 1742, 1746 (TTAB 2018) (citing *In re Davia*, 110 USPQ2d 1810, 1812 (TTAB 2014)), *aff’d per curiam*, 777 F. App’x 516, 2019 BL 343921 (Fed. Cir. 2019); TMEP §1207.01(b).

Where the goods and/or services of an applicant and registrant are “similar in kind and/or closely related,” the degree of similarity between the marks required to support a finding of likelihood of confusion is not as great as in the case of diverse goods and/or services. *In re J.M. Originals Inc.*, 6 USPQ2d 1393, 1394 (TTAB 1987); *see Shen Mfg. Co. v. Ritz Hotel Ltd.*, 393 F.3d 1238, 1242, 73 USPQ2d 1350, 1354 (Fed. Cir. 2004); TMEP §1207.01(b).

Applying the above analysis, the marks are substantially similar. Here, the applicant's mark is similar to the first wording and portion of the registrants's marks. Consumers are generally more inclined to focus on the first word, prefix, or syllable in any trademark or service mark. *See Palm Bay Imps., Inc. v.*

Veuve Clicquot Ponsardin Maison Fondée En 1772, 396 F.3d 1369, 1372, 73 USPQ2d 1689, 1692 (Fed. Cir. 2005) (finding similarity between VEUVE ROYALE and two VEUVE CLICQUOT marks in part because “VEUVE . . . remains a ‘prominent feature’ as the first word in the mark and the first word to appear on the label”); *Century 21 Real Estate Corp. v. Century Life of Am.*, 970 F.2d 874, 876, 23 USPQ2d 1698, 1700 (Fed. Cir. 1992) (finding similarity between CENTURY 21 and CENTURY LIFE OF AMERICA in part because “consumers must first notice th[e] identical lead word”); *see also In re Detroit Athletic Co.*, 903 F.3d 1297, 1303, 128 USPQ2d 1047, 1049 (Fed. Cir. 2018) (finding “the identity of the marks’ two initial words is particularly significant because consumers typically notice those words first”). In this case, the formative wording FREEMASON, which is the entire wording of the applicant’s mark, appears at the beginning of the registrants’ mark

Therefore, when viewed as a whole, applicant’s mark is substantially similar in sound, appearance, connotation and commercial impression to the registered mark.

Comparison of the Goods and Services

The goods and/or services are compared to determine whether they are similar, commercially related, or travel in the same trade channels. *See Coach Servs., Inc. v. Triumph Learning LLC*, 668 F.3d 1356, 1369-71, 101 USPQ2d 1713, 1722-23 (Fed. Cir. 2012); *Herbko Int’l, Inc. v. Kappa Books, Inc.*, 308 F.3d 1156, 1165, 64 USPQ2d 1375, 1381 (Fed. Cir. 2002); TMEP §§1207.01, 1207.01(a)(vi).

Decisions regarding likelihood of confusion in the clothing field have found many different types of apparel to be related goods. *Cambridge Rubber Co. v. Cluett, Peabody & Co.*, 286 F.2d 623, 624, 128 USPQ 549, 550 (C.C.P.A. 1961) (women’s boots related to men’s and boys’ underwear); *Jockey Int’l, Inc. v. Mallory & Church Corp.*, 25 USPQ2d 1233, 1236 (TTAB 1992) (underwear related to neckties); *In re Melville Corp.*, 18 USPQ2d 1386, 1388 (TTAB 1991) (women’s pants, blouses, shorts and jackets related to women’s shoes); *In re Pix of Am., Inc.*, 225 USPQ 691, 691-92 (TTAB 1985) (women’s shoes related to outer shirts); *In re Mercedes Slacks, Ltd.*, 213 USPQ 397, 398-99 (TTAB 1982) (hosiery related to trousers); *In re Cook United, Inc.*, 185 USPQ 444, 445 (TTAB 1975) (men’s suits, coats, and trousers related to ladies’ pantyhose and hosiery); *Esquire Sportswear Mfg. Co. v. Genesco Inc.*, 141 USPQ 400, 404 (TTAB 1964) (brassieres and girdles related to slacks for men and young men).

Applying the second half of the test, the goods are closely related. The attached Internet evidence, consisting of <https://www.menswearhouse.com/>, <https://usa.tommy.com/en>, https://www2.hm.com/en_us/index.html, and <https://www.express.com/>, establishes that the same entity commonly provides the relevant goods and markets the goods under the same mark. Specifically, consumers looking for clothing goods can expect to find all types of goods from the same provider; whether the clothing items are jackets, shirts undergarments, hats, ties, or any other type of clothing within the applicant’s and registrants’ identification. Hence, consumer expect these goods to emanate from a single location. Thus, applicant’s and registrant’s goods and/or services are considered related for likelihood of confusion purposes. *See, e.g., In re Davey Prods. Pty Ltd.*, 92 USPQ2d 1198, 1202-04 (TTAB 2009); *In re Toshiba Med. Sys. Corp.*, 91 USPQ2d 1266, 1268-69, 1271-72 (TTAB 2009).

Moreover, neither the application nor the registration(s) contains any limitations regarding trade channels for the goods and therefore it is assumed that registrant’s and applicant’s goods are sold everywhere that is normal for such items, i.e., clothing and department stores. Thus, it can also be assumed that the same classes of purchaser shop for these items and that consumers are accustomed to seeing them sold under the same or similar marks. *See Kangol Ltd. v. KangaROOS U.S.A., Inc.*, 974

F.2d 161, 23 USPQ2d 1945 (Fed. Cir. 1992); *In re Smith & Mehaffey*, 31 USPQ2d 1531 (TTAB 1994); TMEP §1207.01(a)(iii).

Because the marks are confusingly similar, and the goods and services are identical, overlapping, or otherwise related, a likelihood of confusion exists and registration is refused under Trademark Act Section 2(d).

Although applicant's mark has been refused registration, applicant may respond to the refusal(s) by submitting evidence and arguments in support of registration.

RESPONSE GUIDELINES

Slippers

Great pair of slippers. They fit a little too small so I got a size 10 rather than my normal shoe size 11.

Great slippers

Awesome. I don't know what the external material is made out of, but it almost feels like velvet or something. Inside is soft and plush. The bottom sole is more comfortable than I thought, it doesn't feel like walking barefoot.

Versatile

These look great! Not only keeping me warm around the house this winter, but if you put some shoe inserts in them, they look great to wear in public too.

Weather changes fast. Sometimes you are not prepared with a suit or coat that is warm enough to shield you from frigid winds or rain. But carry with you one of our [men's hats](#), [scarves](#) or [leather gloves](#) and you'll be ready when the sun dips behind a cloud and the wind whips up.

Top It Off

Our selection of men's hats are the perfect style and protection companions for your active lifestyle. Choose from our men's fedora hats for a classic look when you are at that special occasion or to create dramatic flair on the weekend out with friends. We also feature a variety of hats to match your wardrobe and to keep the rain from ruining your hairstyle. And for better rain protection, we have a variety of umbrellas that are necessities for those special occasions when you need to make sure the rain doesn't ruin your day. And they are wide enough to protect your companion when you are running from the restaurant to the car.

Cover It Up

For colder weather, scarves are not only there to keep your neck warm, but are also important style accessories to formal wear. They add a sense of style and flair to any outfit—choose from our finely crafted silk scarves to display with your tux. Scarves are also useful when the big day is colder than you anticipated. And to keep your hands toasty warm, our men's leather gloves are easy to slip in your side pocket and keep at the ready when the weather becomes less than friendly.

Very classy and durable!
My job requires me to wear white shirts and ties everyday. I purchased 6 of these over the last 2 years and I always get complimented on how bright and professional the shirts look. I've had them dry cleaned many times and they still look like new and haven't changed like less quality shirts I purchased in the past. With or without a suit, these shirts look absolutely amazing! In addition, they barely wrinkle like many cheap brands do. A great value and worth the investment!

Great shirt for the money...
Wrong size ordered. Chest belly too tight. Returned.

1/2 an outfit
Love, love Joseph Abboud dress shirts and got it at a great sale price in December. But the plaid, purple tie that I wanted (think Calvin Klein) went off sale day before I was able to purchase it. So my grandson has a beautiful new shirt of high quality from MW but no tie. When will ties be on sale again, please?? Many thanks! 1/11/2022

Great jeans
I am a former wardrobe consultant with Men's Wearhouse. Only complaint is that you must order light wash lucky's 2 inches long than you typically wear. Or else they will be too short.

Great pair of jeans
These actually fit great and an inch or two too big so if you are a 36 order a 34 in these and they fit perfect. They also have a slight give to them so if a little tight no big deal as they do stretch a bit but not much They look great and I ordered a second pair.

Let's talk ties. Maybe your dad wore them every day to work and you only have a few in case you need them for a job interview or a special occasion. But they are essential to every man's wardrobe, and let's face it, you need a few more than you have now. Ties are the crown to your [dinner jacket or sport coat](#). They make the outfit more dressed-up, sharp or professional. And not just men's neckties, but also [men's bow ties](#), ties, are an essential accessory to any good tuxedo.

Style It Up

Our men's ties, bow ties and pocket squares add essential style to your dinner jacket or tuxedo. When special occasions call for a look that goes beyond just dressed-up, let us help you find the right style, color, pattern or length of the perfect necktie, bow tie or pocket square. Choose from designers like [BLACK by Vera Wang](#) or Calvin Klein for the perfect suit or tux, then search for the necktie, bow tie or pocket square to match the color palette of your wedding, or that matches your unique personality.

Colors And Patterns

A pop of color against a black tux creates a fanciful mood, while a patterned tie matched against the pattern of your sport coat or dinner jacket makes for style all your own. Mix and matching colors and patterns with the colors and pattern of your tuxedo, dinner jacket or sport coat is a great way to stand out from the crowd.

A Touch of Class

I think the best way to stand out these days is to be well dressed and well groomed. A smart bow tie and pocket silk sets you apart from the throng. This is something Fred Astaire might have purchased. When I wore my recent purchase I was complimented, treated with deference and respect. Can't ask for more than that.

A beautiful tie and pocket silk.

This is my first Calvin Klein tie and it probably will not be my last. It looks good, was easy to tie and I received many compliments on it and the pocket silk.

Perfect for tall and thin people
These suits are great if you are very tall and thin. Our son is 6'3" and weighs 145lbs and these suits (38L) fit him excellent, all their other suits were too big in the chest and would have to be altered to fit. The price was also excellent as well.

Great for a small guy like me with some caveats.
I am 5'6", 140 lb slender build so I have the worst time finding suits that are actually fitting, but Egara extreme slim fit is the only brand that I have found that even comes close to the slim build I want. I already bought a black suit previously, and this time decided I wanted a blue suit. The fit was great as expected, contouring well. However, my biggest gripe is that the biceps are small, and nothing could be done in terms of tailoring. It's something I will put up with considering the ... [READ MORE](#)

What a pleasant surprise
I haven't bought a suit in years. People don't really wear them much... but the combination of watching Goofellas and walking through the mall and seeing some sharp suits for sale got me thinking. So after a google search, I was brought to the Men's Warehouse site. The first suit I bought was the burgundy one, and it fit great... AND only cost \$39.00. I thought (for 30, I have to try this out...and if it's garbage, oh well." I was able to pick it up at the store that afternoon, and after ... [READ MORE](#)

Suits
Have a special occasion coming up? A big job interview? Or do you just want to weave in a touch of polished style into your everyday wardrobe? If you are looking for a full men's suit, we've got you covered. From [dress pants](#) to jackets to [dress shirts](#), we have the biggest selection at the best prices. When buying a suit, don't forget to keep these options in mind.

Fit
First things first, an Expert Stylist will be more than happy to take your measurements when you are shopping for your suit. With four great fit options, from Extreme Slim Fit to Classic Fit, we have all the looks to match your personal style.

Style
For your first suit, we recommend a neutral color, such as gray or blue, as it can be styled many different ways and worn at a variety of different occasions. If you are looking for a more fashion-forward men's suit, we offer a variety of different patterns, such as check, plaid, windowpane and stripes.

Brand
We offer a wide range of the most relevant designer brands including Lauren by Ralph Lauren, Calvin Klein, JOE Joseph Abboud, Tommy Hilfiger and more.

Accessories
A suit doesn't stop with the jacket and dress pants. A well-fitting dress shirt and tie is the most practical way to style a suit. However, if you are looking for an out-of-the-box styling solution, we recommend a variety of other [shirts](#) to style with your suit, like a polo, tee or floral sport shirt. Then finish off your look with a matching belt and dress shoe and a colorful tie or pockets square.

MEN'S TIES & BOW TIES

Shop men's ties and bow ties at Express. From classic black ties to fun patterned ties, it's all in the details. Add some sophistication and personality to your look with Express's wide range of men's neck ties & bow ties. For men's ties near you, shop in-store at your nearest Express store. Or shop our large variety of men's ties available online and from the comfort of your own couch. Plus, keep your eyes out for great sales on men's ties. Whether it's for a formal occasion or the office, we have the colors, patterns, and styles you need! And don't forget to learn how to tie a tie too! Our how-to videos for how to tie a tie into a [Pratt Knot](#), [Half Windsor Knot](#), or the [four-in-hand method](#) are great go-to guides.

Can men's bow ties be worn with a suit?
Of course! When you wear a men's bow tie with a suit, you're making a statement. Try adding a Floral Liberty Fabric Bow Tie with our Classic Micro Check Wool Suit for a bold twist on a classic look, or go back to basics with the Silk Bow Tie. Just have fun with it!

Are men's ties supposed to match the shirt?
The secret to matching men's ties to their shirt is to consider the tie's width, color and, if applicable, pattern. Make sure the tie's color complements the shirt, and that the pattern doesn't clash. The width of the tie should be proportionate to the suit style. Some ties that are easy to match shirts with include the Striped Narrow Silk Tie and the Solid Standard silk Tie.

Men's accessories can instantly take an outfit from zero to hero. From bold men's clothing accessories like a bright floral or geo print tie and patterned dress socks to sharp men's business and leather accessories like a modern briefcase, backpack and wallet, the type and style of accessories you choose can tell people a lot about you.

How do I accessorize a man's outfit?

When it comes to men's accessories, jewelry and watches from Express are a great way to add your own personal style to any outfit. A skeleton watch looks sharp in the office and off the clock. Pair it with a [slim, modern suit](#) for a hip professional vibe or get street casual in your favorite [slim denim](#), crew neck tee, and [bomber jacket](#). Want to bring the bling for date night? Pair dark wash jeans with a crewneck sweater and accessorize with a double-layer silver curb chain necklace.

What types of accessories are in style for men?

It goes without saying that wristwatches are timeless accessories for men. Be on the lookout for unique designs, shapes and bold colored dials. When it comes to sunglasses, aviators are flying high, as are '90s-inspired slim shades. Small stone chain necklaces and beaded bracelets are big in men's jewelry. And from Chelsea boots to Chukka sneakers, genuine suede is considered ultra-suave. No matter how you prefer to elevate your outfit, Express has a variety of men's accessories to choose from.

United States Patent and Trademark Office (USPTO)

USPTO OFFICIAL NOTICE

Office Action (Official Letter) has issued
on October 25, 2022 for
U.S. Trademark Application Serial No. 97209805

A USPTO examining attorney has reviewed your trademark application and issued an Office action. You must respond to this Office action in order to avoid your application abandoning. Follow the steps below.

- (1) **[Read the Office action](#)**. This email is NOT the Office action.
- (2) **Respond to the Office action by the deadline** using the Trademark Electronic Application System (TEAS). Your response must be received by the USPTO on or before 11:59 p.m. **Eastern Time** of the last day of the response period. Otherwise, your application will be **[abandoned](#)**. See the Office action itself regarding how to respond.
- (3) **Direct general questions** about using USPTO electronic forms, the USPTO **[website](#)**, the application process, the status of your application, and whether there are outstanding deadlines to the **[Trademark Assistance Center \(TAC\)](#)**.

After reading the Office action, address any question(s) regarding the specific content to the USPTO examining attorney identified in the Office action.

GENERAL GUIDANCE

- **[Check the status](#) of your application periodically** in the **[Trademark Status & Document Retrieval \(TSDR\)](#)** database to avoid missing critical deadlines.
- **[Update your correspondence email address](#)** to ensure you receive important USPTO notices about your application.
- **[Beware of trademark-related scams](#)**. Protect yourself from people and companies that may try to take financial advantage of you. Private companies may call you and pretend to be the USPTO or may send you communications that resemble official USPTO documents to trick you. We will never request your credit card number or social security number over the phone. And all official USPTO correspondence will only be emailed from the domain “@uspto.gov.” Verify the correspondence originated from us by using your Serial Number in our database, **[TSDR](#)**, to confirm that it appears under the “Documents” tab, or contact the **[Trademark Assistance Center](#)**.

- **Hiring a U.S.-licensed attorney.** If you do not have an attorney and are not required to have one under the trademark rules, we encourage you to hire a U.S.-licensed attorney specializing in trademark law to help guide you through the registration process. The USPTO examining attorney is not your attorney and cannot give you legal advice, but rather works for and represents the USPTO in trademark matters.
